Return New Orleans Children to Schools in Their Neighborhood Governed by Our Elected Board

We, citizens of the New Orleans community will be made whole when:

1. Our schools are returned to our elected school board.
2. Children are able to attend schools in their neighborhoods.
3. Students are not forced to ride unmonitored buses from as early as 5:30 AM and to as late as 6:00 PM.
4. The millions of dollars currently being diverted to bus companies are returned to our schools.
