A Community Voice PETITION Against the Expansion of the Industrial Canal

I am with A Community Voice to save the Lower 9th, Upper 9th N.O. East Communities from Environmental Racism.

1. Prevent the daily transportation and storage of hazardous toxins in residential communities.
2. Move the Industrial Canal to an unpopulated area & do not damage thousands of homes with pile driving and construction from the expansion of the Industrial Canal, Stop this corrupt benefit to Bollinger shipyard and their friends.
