

I am the only candidate who has pledged at every forum that I will work with the people of the community on their side on the issues they care about.

Specifically, I will work with A Community Voice to get the state active in the removal of all lead water lines in the state.

I will work with A Community Voice to stop the expansion of the Industrial Canal. . In fact, I will set up a meeting with the St Bernard and Orleans elected officials to find a way to move the canal to Violet.

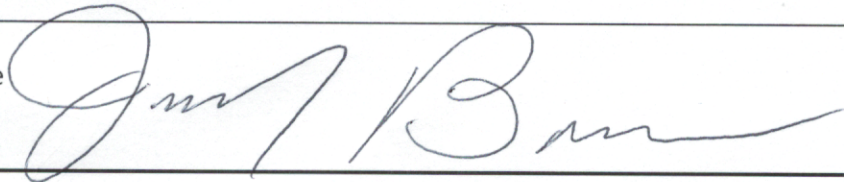

I will work with A Community Voice to stop the Florida Freeway and remove it from the state's master plan.

I will work with A Community Voice to get the law changed for the Blighted lots to be turned into raingarden Bioswales.

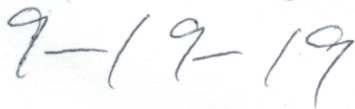

I will work with A Community Voice to make the state's intersection at St. Claude and Elysian Fields, specifically to add back in the parking that was removed from 2221 St. Claude and make the bike lane safer.

I will ensure that the upper 9th ward is not gerrymandered in the redistricting of its boundaries for all political subdivisions but will remain as one cohesive unit, preferably with the lower 9th ward.
